

'My heart is ready O God, my heart is ready.'

FAITH, DISCERNMENT AND VOCATION: seeking and finding our God-given purpose

'Vocational discernment is a process unfolding over time. Accepting the mission God offers us implies the willingness to risk one's life and to travel the way of the Cross, in the footsteps of Jesus, who firmly set out on his journey to Jerusalem (Lk 9: 51) to offer his life for humanity.'

An opportunity to explore life, faith and mission, is offered, one session a month for 12 months, as a beginning of vocational (life purpose) discerning.

New promptings of grace, life changes or losses may awaken our souls at different moments of our lives, and a new exploring of grace may begin at any age.
