

How much of what I give to the Church can be included in my Gift Aid Declaration?

You can include everything you give in the Offertory collection provided it is given in a numbered weekly envelope or by cheque or standing order. Additional donations can also be included. The Parish which receives your Gift Aid donations has to keep accurate records of receipt and the Parish Priest has to certify the amount you have given in the Tax year before the Parish can reclaim the cash.

If both spouses pay tax, they should make separate Declarations for the amounts they give and they must use their own numbered envelopes. This enables accurate records to be kept.

Higher rate tax payers will benefit through additional Tax relief if they declare their Gift Aid Declarations on their Tax return.

What about Higher Rate Tax Payers?

I am already giving to my parish in the Offertory Collection. Will it cost me more to join the Gift Aid Scheme?

No. You are not being asked to give more money or pay additional Income Tax. You are simply being asked to complete a Gift Aid Declaration so that your parish can reclaim, from the Inland Revenue, the tax that you have already paid on your donations.
